

Hyper-Focus Group Process

WHY HFG?

"I have been helping injured people for 25 years. No tool has helped us win overtight-fisted jurors as much as our research agreements with Mike Liffrig and his team at Grand Slam Verdicts."

— JEFF WEIKUM

Weikum Injury Law
\$1.3 Billion Verdict

Designed for efficiency, our Hyper Focus Group provides attorneys with targeted jury feedback on specific aspects of case preparation. Ideal for cases with low insurance limits, this streamlined service delivers insightful, actionable feedback within a condensed time frame, helping attorneys strengthen their case or determine suitability for trial.

Bundle Options

- One case for \$6,000
- Two cases for \$10,000
- Three cases for \$14,000

Maximize value by presenting up to three cases—individually or with colleagues—in focused 60-minute jury sessions. Each participant receives targeted feedback, juror verdicts, and a detailed debrief covering case strengths, weaknesses, and performance strategies. A cost-effective way to gain actionable insights and refine strategies for better outcomes.

HOW IT WORKS

Tailored Agendas

Choose from Witness Feedback, Themes and Arguments, or Damages to address what matters most to your case.

Valuable Feedback

Gather reactions of real jurors to garner insights into how your argument or witness is being received.

Rapid Results

Quickly obtain invaluable feedback that fits seamlessly into tight schedules.
